## Goal Team Monthly Report

### Goal Team: Support for Academic Success

**Any updates since the last report as copied below**

- 1. 4a. Create a consensus definition of the stated goal. (in progress)**  
**4b. Determine the attributes that directly correlate with the consensus definition. (in progress)**

The SAS Goal Team met on 3/31. Notes to come. We worked in small groups to draft a definition of academic success and academic support.

A subcommittee will meet with Lee Ann to further refine the definition and post to the team for input before then next goal team meeting on April 25<sup>th</sup>. The subcommittee members include Lee Ann Kelly (CUC2C), Jason Scott (Volition), Amanda Raklovitis (Champaign Public Library, Douglass Branch), Katie Ashell (ACTIONS) and Javae Wright (Lead4Life). Lee Ann will convene the subcommittee meeting.

Another facilitator planning call is scheduled for Tuesday, April 12, at 1:30.

- 2. Any assistance you would like to request from the steering committee**  
None at this time.

- 3. Other comments**

Although 16 people attended the meeting, we still seem to be missing representation from key demographics. Patricia Avery, Lucia Maldonado, Maria Alanis, Asia Fuller Hamilton, Dionne Webster, Donna Kaufmann, Rickey Parks, Sarah Zehr, Theo Long and Katrina Kennett were not in attendance. We will discuss this topic during our next facilitator planning call.
