Pathways to Success for Every Student

Goal Team Monthly Report

1. Team progress since the last report (attach meeting minutes if applicable)
We emailed or called parents/guardians who completed our parent survey, to thank them for their input and inform them of our progress. We asked them to indicate if they wanted to receive the quarterly newsletter. No one responded.
Both districts implemented the student survey in March and will provide an overview of the data at our April 25th meeting.
The staff survey subcommittee will create an executive summary of the staff survey data and present it at the April meeting.
We continue to collect information from targeted parent populations through surveys and interviews.
