Caitlin Drake is leading the SAS Recruitment Subcommittee. Based on the SAS survey results and preliminary data from Community Schools, we will focus recruitment on representatives from successful afterschool and out of school programs.

According to Amanda Raklovits, the Urbana student surveys have been categorized and tabulated. Her subcommittee is working on an executive summary and expect to have a draft the week of July 10<sup>th</sup>. Amanda says, "A cursory glance shows the Urbana responses seem to mirror the Champaign ones for the most part, which isn't a huge surprise."
