Goal Team Monthly Report

Goal Team: Support for Academic Success

1. Team progress since the last report (attach meeting minutes if applicable)

The Support for Academic Success goal team met on November 2 to wrap up survey work and make suggestions to share with the next anchor entity. The minutes can be found here:

2. If no significant progress made indicate issues with progress

3. Agenda item(s) for discussion at the next Steering committee (if any).

Attendance and morale at the meeting was low. Team members asked about a new anchor entity, and we explained that nothing has been shared with the team, but someone would share information as soon as it is available.

CUSF Executive Director Molly Delaney will participate in an exit interview with Bev Baker and Tara Swearingen on December 15th.
