Pathways to Success for Every Student

Goal Team Monthly Report Goal Team: Support for Academic Success

1. Any updates since the last report as copied below

We collected 220 Parent Surveys during Urbana centralized registration. Data from those surveys is being entered by volunteers. Champaign Unit 4 distributed the EEE/SAS Parent Survey at the middle and high schools. The survey is going to elementary buildings in the coming weeks.

2. Progress towards step in the processes that you are currently working on

4a. Create a consensus definition of the stated goal. (in progress)

4b. Determine the attributes that directly correlate with the consensus definition. (in progress)

5. Determine where we stand as a community in relation to the goal/defined attributes

a. Identify the groups/individuals and method that will be used to assess community standing on the core attributes

b. Obtain input from the identified group

3. Any assistance you would like to request from the steering committee

4. Other comments

Notes from last meeting

Support for Academic Success Goal Team
