Pathways to Success for Every Student

## Goal Team Monthly Report Goal Team: Workforce Readiness

### 1. Any updates since the last report:

- A. The Workforce Readiness Committee has implemented four subcommittees to move the initiative forward. The subcommittee groups are: Engaging Stakeholders, Solidifying Measurements, Gaining Understanding of Providers and Creating a Framework of Student Experiences. Each group is to meet in between monthly meetings and will report out on progress at the next monthly meeting.
- B. A shared folder on Google will be created so goal team members can access documents and provide input.
- C. Four new members have been added to the Workforce Readiness Committee. The group now has representation from Lead4Life; Champaign Area Relationship Education for Your; The Regional Planning Commission and the U of I Extension Office.

### 1. Progress towards step in the processes that you are currently working on: See #1

### 2. Any assistance you would like to request from the steering committee

### 3. Other comments
