Pathways to Success for Every Student

Goal Team Monthly Report Goal Team: Workforce Readiness

1. Any updates since the last report:

- a. Community mapping was reviewed by the workgroup. The group is building consensus on the next steps. Tentatively planned is to bring in the top 10 organizations identified through community mapping to a Workforce Readiness Group meeting for the committee to be able dive deeper into how their respective organizations implement social emotional learning a career technical education.
- b. Nick Gaines, the principal of Robeson Elementary School has been appointed as the co-facilitator of the Workforce Readiness Group.

2. Progress towards step in the processes that you are currently working on: See #1

3. Any assistance you would like to request from the steering committee

4. Other comments
