

WORKFORCE READINESS

Updates:

- Team has four working groups that reflect the components of the overall action plan framework:
 - Narrowing the list of best practices that address the selected strategies and mapping the K-12 time windows when they are most effective.
 - Determining what current programs are good candidates and interested in working to scale up the selected best practices.
 - Working with school districts for the best progress indicators and final goal measurement.
 - Timeline and methodology for engaging businesses/other key stakeholders on action plan.
