

Mindy Cain

Champaign County Chamber of Commerce
Director of Workforce Readiness & Member Relations
mindyc@champaigncounty.org

- ◆ Anchor entity for the CUC2C Workforce Readiness Committees for K-12 career education
- ◆ Assists with the area Summer Youth Employment Programs by coordinating resume writing sessions at each high school that are staffed with local professional volunteers so students get expert advice on how to write a resume
- ◆ Anchor entity for the Healthcare Careers Pilot Program to provide junior and senior level high school students, who are interested in the health field, dual-credit classes and job shadowing opportunities at Carle and Presence to explore several specialties
- ◆ Involved with the CU Initiative for Labor Diversity to help provide construction trade career awareness and education into schools and after school provider organizations to help increase the pipeline of workers into this industry
- ◆ Initiates local employer involvement to get them engaged to help build the pipeline of future workers by providing learning opportunities for students via employment opportunities
